6. The tent reported to have been burnt down was purchased from the Spinning & manufacturing Co, Bangalore on 26.6.09 for Rs 487-8-0. This was supplied to the Dep. Com. in December 1910. In the Inspection Report of 30.8.12 received from the Dep. Com. it is noted that the tent in question was in a serviceable condition. It is stated that the occurrence was accidental and it is a question for orders whether under the circumstances, whether another Swiss cottage tent may be supplied to the Dep. Com. in its place,

Whatever the cause the tent has been burnt down and the Vakeel promises to pay the cost. I do not see any reason why we should make any abatement in the cost price. The whole price & replacement should be borne by the Municipality.

23) The tent was destroyed while it was being irregularly used thence the consequences of accident should not fall on the Govt.

24) Brooks, in this case the Vice-President offered to pay the cost of the tent. But this fact was not originally brought to the notice of Govt. It is however, clear now from the copy of his d.o letter forwarded by the Dy Commr.

25) So far as I can see, there can be no justification for waiving the claim of Govt to the price of the tent, as proposed by the Dy Commr.

27 The tent in question is said to have been purchased in June 1909 for Rs 487/8/- & was supplied by the Dep[t] concerned in Dec[r] 10. (vide para 6 of the notes). It ~~tents~~ was in use for about 3½ years before it was burnt down. It is ascertained that Sub-Overseer Shammanna of the City Municipality, Bangalore, was the care-taker of the -- tent and that the official was present on the spot when the tent in question was found to be on fire.

QUERY No.2

It is stated that every attempt was promptly made to put the fire down at once but on account of the wind, the fire could not be controlled and the tent ~~was~~ was burnt down in a few seconds.

As regards query No.3, I beg to state that the Vice President of the City Municipality, Bangalore, requested the loan of a few tents for use on the occasion of the -- garden party given by the Municipal Councillors, to their former President(Vide copy of D.O.letter dated 1st March 1913 from the Vice President, herein enclosed). In compliance with his request, two tents belonging to this office were supplied to the Municipality. The Vice President has written, stating that a searching enquiry was forthwith -- made to ascertain the cause of fire but that it could not be known as no fire was found anywhere round the tent and

The Vice President states in his D.O.letter dated the 13th March 1913, that the cost of the tent will be met and requests that the same may be fixed.(Vide copy enclosed). The Vice President regrets the accident very much.

In these circumstances, I request that the Government may be pleased to waive the cost of the tent which was already sufficiently used and order the supply of a fresh -- tent instead.

Sir,

With reference to G. O. No. G 704-55 / G. M 67-12 of the 26th of July 1913 and in continuation of this office letter No. S. 124 of the 6th of August 1913, I have the honor to state that out of the sum of Rs 240/- fixed as the value of the tent said to have caught fire and burnt in March 1913, a sum of Rs 102/- was paid by Mr. B. S. Ranoje Roa in October 1914, and a further instalment of Rs 15/- was paid by him in March 1915, leaving a balance of Rs 123/- still to be recovered.

With regard to the recovery of this balance the Honorary President of the Municipal Council has reported to you in his letter No. 257 of the 19/20th of February 1915, that "he has no means of recovering the balance". On consulting Mr. S. Ranoji Rao as to what he proposes to

do

do in the matter, he writes on the 9th of March 1915 that "he has requested the Vice-President to do the remaining Collection, that he is also moving in this behalf and that he will adjust the amount as early as possible".

I request that I may be supplied with another new Swiss Cottage Tent, the necessity for which is greatly felt. If Mr. Ranji Rao does not adjust the amount within any time that may be fixed by Government, such orders as may be considered necessary may then issue, but seeing that a gazetted officer has accepted financial responsibility, a new tent may, I submit, be supplied to me.

I have the honor to be
Sir
your most Obedient Servant.
